THE REAL AGENDA

At the conclusion of the June 1992 United Nations Conference on Environment and Development in Rio de Janeiro, Brazil, President George H.W. Bush and the leaders of 177 other nations signed a document known as Agenda 21.

Nations that pledged to take part are monitored by the International Commission on Sustainable Development and were encouraged to promote Agenda 21 at the local and regional levels within their own countries.

We were told it was the first global effort to take on the “increasing global problems” destroying our planet – global warming, the ozone layer, rising oceans, poverty, illiteracy, lack of awareness, overpopulation, social inclusion, economic growth, overconsumption, the marginalization of women, and more.

But the real goal of Agenda 21 is something completely different. It was intended to pave the way for social, political, moral, educational and religious anarchy, the outcome of which will usher in their new world government and antichrist religion.

That this was the United Nation’s true intent becomes obvious when we consider where that organization looked for a strategy to deal with the “increasing global problems” addressed at the 1992 Conference.

They adapted the 10-Point Charter of New Age founder Alice Bailey as its foundation! Her plan, formulated in the early twentieth century, is as follows:

01. Take God and prayer out of the education system
02. Reduce parental authority over the children
03. Destroy the Judeo-Christian family structure or the traditional Christian family structure
04. If sex is free, then make abortion legal and make it easy
05. Make divorce easy and legal, free people from the concept of marriage for life
06. Make homo-sexuality an alternative lifestyle
07. Debase art, make it run mad
08. Use media to promote and change mindsets
09. Create an interfaith movement
10. Get governments to make all these laws and get the Church to endorse these changes

But how can we be sure the UN used Alice Bailey's Charter? In the next chapter we will provide you with just a little of the abundant evidence available.

WITHOUT ANY DOUBT

We will start by providing some personal information on Alice Bailey. She was a writer who lived between 1880 and 1949. She is said to be one of the founders of the New Age Movement and is known for creating the term *new age*. She also founded the *Lucis Trust*, which before that was called *Lucifer Publishing Company* in 1922.

This woman described the majority of her work as having been telepathically dictated to her by a master of wisdom, or spirit entity, initially referred to as “*the Tibetan*,” but later identified as *Djwal Khul*.

Many also suggest she was guided by founder of the Theosophical Society, Helena Blavatsky, considered the mother of modern occult thought and the most important avenue of Eastern teaching to the West.

All of One Mind and Working Together

Now what was the goal of these two women? From their writings it becomes obvious – the forming of a Luciferic One World government and religion. This is made even clearer when we discover that Blavatsky and Bailey were well known Masonic leaders of their day, whose hidden agenda is exactly that.

It becomes even more evident the UN was guided by Alice Bailey’s Plan when we discover that she was a personal collaborator. She started a group called *World Goodwill*, an official non-government organization within the United Nations itself.

And what was the stated aim of this group? “To cooperate in the world of preparation for the reappearance of the Christ.” Speaking of the UN Bailey wrote:

Within the United Nations is the germ and seed of a great international and meditating reflective group, a group of thinking informed men and women in whose hands lies the destiny of humanity.

This is largely under the control of many fourth ray disciples, if you could but realize it, and their point of meditative focus is the intuitional or buddhic plane, the plane upon which all hierarchical activity is today to be found.

Here she is clearly informing us under whose control are the leaders within the UN and what their aim is.

However, the most important evidence the UN adopted Alice Bailey’s Ten-Point Plan, and which no intelligent observer would deny, is that it has already been fully implemented at a political, moral and spiritual level around the world!!

It explains why many governments have legislated laws contrary to the Bible and why many Christian Churches have compromised the Word of God and endorsed these changes, some a few, while others churches have endorsed them all!

But why was there no public resistance? Follow me as we show you something you are not likely to hear on the evening news or from the pulpits.

DUMBED DOWN AND LIED TO

The implementing of Agenda 21 by the United Nations was not resisted by most people for a variety of reasons.

One, because after the events of 9/11 the general public was led to believe that in order to resolve this “war on terror,” laws must be changed immediately and steps taken for interfaith dialogue.

Two, because over the last fifty years the UN has been “dumbing down the masses.” In other words, they have reduced people’s ability to concentrate and think properly so they will neither question or resist what is being carried out against them and their families.

One of the most effective methods used to accomplish this is by putting chemicals, toxins and metals in the foods we eat, especially processed foods, in the air we breathe, the water we drink, in the body-care items we use, in the pharmaceutical products we take, and in the vaccines being forced upon us!

This is why they are still pushing people to take more shots. It is sorcery. In the Book of Revelation the Apostle John says, “*And all the nations were deceived by your sorcery.*” The word sorcery in the Greek Dictionary is *pharmakeia*, which means medication, magic and witchcraft.

While we are on the subject of vaccines, another primary goal of the vaccination campaign was to deal with the “overpopulation problem” addressed at the 1992 United Nations Conference in Rio de Janeiro.

More Hard Evidence

Dear reader, you may be tempted to think this is all too far-fetched. But know that for years before the pandemic even began the UN had made statements about their goals to create methods to resist public opposition to their plan for a centralized government and their intention to depopulate the Earth. And they are still making such statements today, even more boldly than before!

But what about the Church? surely Christians should have known what was happening and alerted the public?

DUMBED DOWN AND LIED TO SPIRITUALLY

In the previous chapters we have shown that the goal of the United Nations Organization is to create a world religion. Obviously, in order to do that, something must be done with Christianity, which claims there is only ONE WAY to God.

To deal with this Alice Bailey suggested Christianity must be either destroyed or made to become less of an influence in the world. In one of her works she wrote:

The Tibetan has asked me to make clear that when he is speaking of the Christ he is referring to his official name as head of the hierarchy. The Christ works for all men irrespective of their faith; he does not belong to the Christian world any more to the Buddhist or Mohammedan or any other faith.

There is no need for any man to join the Christian church in order to be affiliated with Christ. The requirements are to love your fellowmen, lead a disciplined life, recognize the divinity in all faiths and all beings and rule your daily life with love.

Therefore, in her 10-Point Plan shown previously she suggests two things to accomplish her goal. To create an interfaith movement and to get the Church to endorse all the changes she mentions in her Charter. She explains the objective of an interfaith movement as follows:

Promote other faiths to be at par with Christianity, and break this thing about Christianity as being the only way to heaven, by that Christianity will be pulled down and other faiths promoted.

For the reader who might not understand, the Interfaith Movement promotes the notion that all faiths or religions must become one and look for “common ground” and discard their differences.

Therefore, in the name of peace and tolerance, Christians are advised to eliminate Jesus. And many “Christians” have done just that.

But what about believers who remained faithful to the Lord and would not partake in interfaith gatherings or endorse the other changes suggested by Bailey and imposed by the UN?

More subtle methods had to be devised to break their resistance to change. And these methods would have to have a very slow and gradual effect so that Christians would not realize how far they had come from where they were previously.

The first of these deceptions was ECUMENISM. The Ecumenical Movement must not be confused with the Interfaith Movement mentioned earlier, although they are both interrelated and have the same aim.

It is often defined as the efforts of Christian Churches and their members to promote mutual understanding of the faith and, ultimately, unity among them all. The world Council of Churches works toward this goal.

But, in reality, ecumenism is an initiative to get true believers to COMPROMISE the strict Biblical Command to earnestly “*contend for the faith*” and to “*expose*” and fight aggressively against what is false.

And as usual, it is promoted under the guise of unity and love for sound Biblical Truth, accompanied with a number of Bible passages ripped out of context to support it. Do not be deceived, the Apostle Paul goes so far as to even mention the names of individuals who claim to be Christian but teach heresies.

“Bad Company Ruins Good Character”

The second method devised to break resistance to change in the Church involved the introduction of a methodology to break down the WALL OF SEPARATION between God’s People and the World. We are speaking of the Seeker Sensitive Philosophy.

Christian leaders were duped into thinking that the methods and ideas of this movement would get the unsaved to come to Church, and feeling at home in a familiar, non-threatening environment, they would eventually be converted.

But sadly, rejecting the means God had already provided in His Word, and usurping the ministry of the Holy Spirit, the people being converted were those who originally belonged to Christ!

What we mean is the Seeker Sensitive Philosophy creates an environment of PERMISSIVENESS which, in the long run, neutralizes the believer’s sensitivity to sin; a sort of spiritual “dumbing down,” so to speak.

How to Get Back to Normal

Dear reader, in whatever way YOU or your friends and family might have been influenced by the atrocities we have mentioned so far, and no matter how serious those effects have had on your mind, or your body, or both, THERE IS A SOLUTION!

That solution is the Cross of the Lord Jesus Christ, the very HOPE Agenda 21 is trying to destroy. There you will find forgiveness for sin, healing for your body and deliverance from all your fears. And more important than this, you will secure your place in Heaven.

If you would like to know how to gain access to all this, you can download a book entitled, *Discover the Power of the Cross to Heal, Save and Deliver* from our website (www.biblical-literature.com).
