

Dear reader, in previous articles we laboured to point out the origins and unbiblical teachings coming out of a fast-growing movement in the modern-day Evangelical World, called the New Apostolic Reformation. In this short discussion, we would like to inform you of a counter movement on the rise, commonly referred to by its founders as “Discernment Ministry.”

The stated aim of such is to expose these false NAR prophets and their unbiblical doctrines and practices for the common good. But as many intelligent-minded people have observed, those who pull the strings in the NAR Movement are the same who pull the strings in the other!

To provide just one of the more obvious proofs, most know that while the Roman Catholic Church professes to accept the Bible as the Holy Word of God, it does not believe Scripture alone is sufficient to teach us what to believe and how to live as true Christians. Consequently, they add their own ideas and traditions, which they then claim have equal authority!

The same can be said with this so-called discernment ministry. The basis for it can be found nowhere in Scripture. The Bible simply commands all Christians, whether leaders or laity, to expose the unfruitful works of darkness, but nothing more!

Moreover, in his Epistle to the Ephesians the Apostle Paul lists only five Ministry Gifts, *“to equip the saints for the work of ministry, for building up the body of Christ,”* and “discernment ministry” is not one of them!
